Directions / Parking

Farmington's address is 1625 Country Club Circle, Charlottesville, VA. Once turning off of Rt. 250 onto Farmington Drive, follow the road to the main parking circle. Parking is available around the club circle - overflow parking is located off of Tennis Rd (which you pass just before the clubhouse). The pool is alongside the circle at the front-left of the clubhouse. More formal directions can be found here: <http://www.jsl.org/teams.php?team=FCC&content=map>

Seating

Seating will be available to the BHSC team along the side of the pool closest to the main entrance and the zero-depth entry portion of the pool as well as in front of the baby pool. Please feel free to bring chairs.

Food & Beverage

FCC will have a poolside grill available — **Cash Only.**

Heat Sheets

The heat sheet will be posted on www.swimbhsc.com by noon on Wednesday so that parents can have the option of printing in advance or using their mobile devices. FCC also provides heat sheets at the sign-in station upon entering the pool free of charge.

Inclement Weather

The forecast looks great. However, in the event of lightning, we will have to clear the pool deck. In this case, all guests will be asked to return to their cars until we are given the all-clear. If you have any handicapped swimmers, FCC is able to accommodate them in the pool office.

Go Boarfish!
