Dear Boar's Head Families,

What a wonderful first meet! From watching our teammates cheer for one another and our competitors, to many high fives and handshakes after races, it seemed like the pool deck was buzzing with excitement. I had a blast watching our swimmers compete and enjoy the evening!

For the rest of the summer, you can expect a recap email from me on Sundays with general information, and a second email Tuesday with meet information. The exception to this schedule is this week, as the Tuesday meet skews our timeline. Today's email has four sections: 1) Meet Entries **2) Practice Schedule** 3) Team Gear, and 4) Events (sign your swimmer(s) up now!). Additionally, our team website, www.swimbhsc.com, is a great resource for any questions you might have.

Meet Entries & Info

This week we have our second away meet versus Glenmore! A tentative list of meet entries is attached to this email. **All families: please check over the entries**, even if your swimmer should not be entered in the meet. Let me know if there are any errors. I will submit all entries by noon on Sunday, so changes must be made before then. If your swimmer should not be entered and is, please let me know. If your swimmer is not entered, and you believe they should be, there are a few possible explanations:

- I may have made a mistake. If this is the case, I apologize in advance. Please let me know by shooting me a quick email.
- Your swimmer does not have the meet form, BHSC registration form and/or the JSL form submitted. All three forms can be found on the team website under registration, [here](#).
- Your athlete cannot complete an event in a legal and timely manner. This applies to all age groups. Over the past few weeks, the coaching staff have worked to help as many swimmers reach this threshold as possible, but not everyone is quite there yet. I want to emphasize that this is okay! If swimmers aren't ready for this meet, we have five more weeks for swimmers to grow and develop.

If you have any questions or concerns about the entries, feel free to email me. On Monday, you will receive more information about the meet logistics. Monday morning, finalized meet entries will be posted on the team website. If you are new to the JSL, you can find info on the JSL and meets on our website [here](#).

Practice Schedule:

Since Juneteenth is on Wednesday, our meet has been moved to Tuesday, June 18th.

This is an away meet at Glenmore so please arrive at the Glenmore pool by 5:00 p.m. Gameday

will be Wednesday morning, following the posted gameday practice schedule, with a normal Wednesday afternoon practice. Thursday and Friday will follow normal practice times.

Gear:

All team gear has arrived! Gear can be picked up on the pool deck by asking the coaching staff.

Private Lessons:

As we progress through the summer, lessons can be a great way for your swimmers to fine tune their strokes, starts, and turns! Extra practice, especially one-on-one with a coach, can be a good way for swimmers to improve their swimming outside of practice, with individualized focus. If you are interested in lessons for your swimmer, or group lessons with 2-3 similarly abled swimmers, please contact a coach for their availability, then visit the lessons page on our website [here](#). On the form, under extra comments/instructor, please put the name of the coach you reached out to for lessons. Coaches' contact information can be found [here](#).

Events:

Throughout the rest of the summer, we have a few team events. These will include:

- 12 & under bowling with coaches at Bowlero Charlottesville, July 12th from 11:00 am - 12:30 pm. Sign up [here](#)! Sign-up deadline is July 9th.
- 13 & up laser tag will be played at the Stancils' household on Friday, July 12th, from 8:00 - 10:00 p.m. Sign up [here](#)! Sign-up deadline is July 9th.

Both bowling and laser tag will cost 15 dollars per swimmer.

Go Boarfish!

Noah
