Dear Boar's Head Families,

Below is information for our first home meet with Fry's Spring (FSBC). Since this meet is freestyle relays, **relays for all 9 & ups will be at the end of the meet. Many swimmers are entered in relays, so please check your swimmer's entries carefully and check in with a coach before leaving.** Before warm ups, we will take our team picture at 4:15 pm on the grass hill adjacent to the pool deck. Please ensure all swimmers wear their team shirts! Additionally the forecast for the meet tomorrow is showing 95 degrees, so come prepared with water and sunscreen. Here are a few notes regarding practices, events, and team gear:

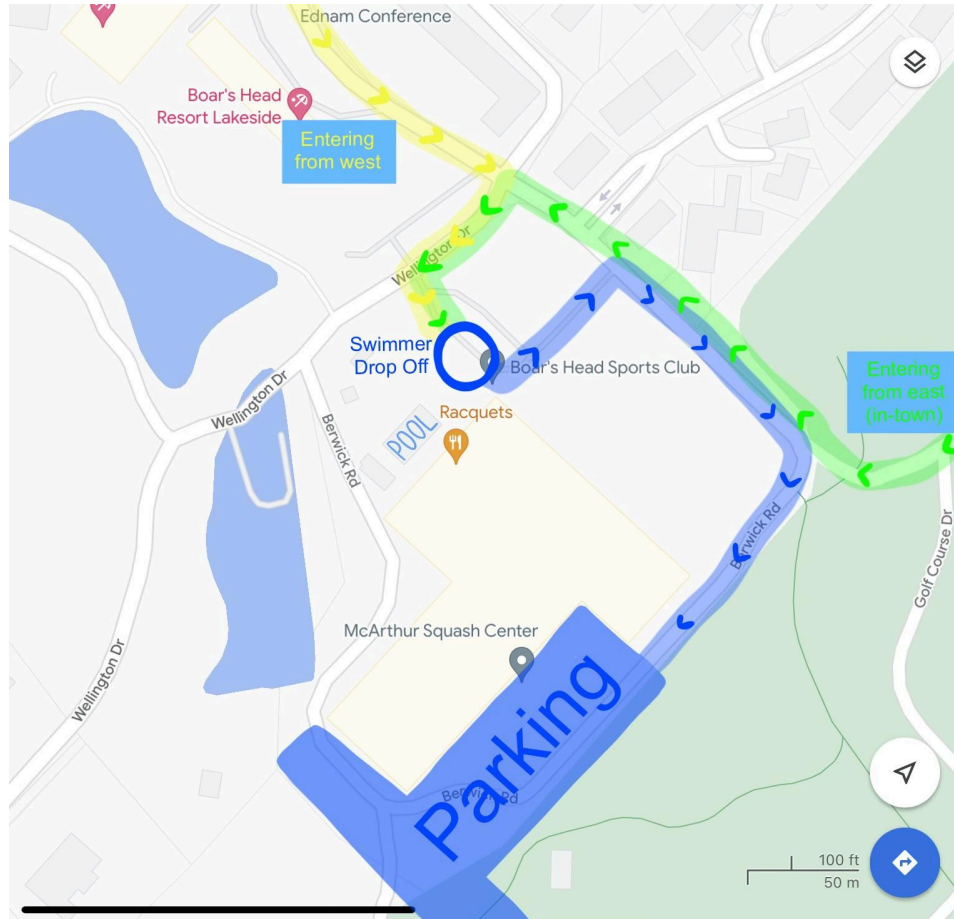

- **We still need timers! Sign up for volunteer positions [here!](#)**
- **Swimmers, please bring water bottles to practice to stay hydrated as temperatures increase.**

**Directions / Parking**

BHSC is asking that families park in the tennis and squash parking lots behind the club, as indicated on the map below. Families should drive past the front of the club and drop their swimmer at the front gate to the pool (blue circle). After dropping off your swimmers, please turn right onto Berwick Rd, and proceed to park in the squash or tennis parking spots (blue highlighted area). Please reach out with any questions.

### **Seating**

Boars Head families can gravitate to the area close to the main building on the left side of the deck. BHSC is asking that people refrain from setting up tents or large seating areas between the competition pool and the recreation pool/lazy river as this is a high-traffic area. The upper deck above Aqua Food & Drink will be closed, only open to coaches and officials. The clerk of course will be directly behind the starting end of the pool, next to Aqua.

### **Food & Beverage**

Aqua Food & Beverage is located behind the starting end of the pool, and a limited food and drink menu will be available during the meet. During the early part of the meet, Racquets Cafe will also be open inside the Sports Club. Per JSL rules, all alcohol must remain inside the club.

### **Heat Sheets**

The heat sheet will be posted on [www.swimbhsc.com](http://www.swimbhsc.com) by noon on Wednesday so that parents can print in advance or use their mobile devices. Mr. Ritter will also post a QR code with a link to the heat sheet at the front gate and on the pool deck.
